

TSCI 2023 Summer Scientific Meeting

Call for Challenging Cases

Deadline for Submission: May 12, 2023

General Information for Submitting Cases:

There are three categories for case competition which are:

A. Coronary CTO

B. CHIP PCI / Complex PCI / Complications

C. EVT

The Scientific Committee will review all submitted challenging cases for oral presentations. The authors of accepted challenging cases will be acknowledged by e-mail by **July 5, 2023**.

All challenging cases should be submitted through the Flash drives with **cine images included in the PowerPoint slides and playable**. The authors are responsible for the completeness of their submitted cases. It is suggested that you present the case in Microsoft PowerPoint and use the 'package into Flash drive' function (檔案—儲存至隨身碟). Submitting no more than two cases in the same category is acceptable. Please delivery your cases to:

請於信封註明：2023夏季會Case

Format for submitting Challenging Case(s):

Please follow the directions below to assure a complete submission.

1. The author should specify the category he/she is submitting for.
2. The case should include general information as well as lab data and be presented in the usual format as in any case presentation or case competition meeting.
3. The authors' names and hospital affiliations should not appear in the submitting flash drive, so that blind review could be processed.
4. The cine images should be included in the PowerPoint slides and playable during the playback of the file in the open review.
5. The case presentation should be informative and self-illustrating, including all needed intervention details.

Awards

Evaluation of submissions will be based on quality, clarity, relevance and educational value of their cases. The selection of submitted presentations will be blinded: the committee will review submissions without access to the authors' name and hospital.

The Scientific Committee will choose four-six finals for each case competition category for oral presentation in the TSCI 2023 Summer Scientific Meeting. **The first-place winner will receive an award of 10,000 NTD.**
