

Peripheral Live Demonstration 2026

Call for Challenging Cases

- **Deadline for Submission: September 30, 2026**

- **General Information for Submitting Cases:**

Challenging cases related to peripheral vascular disease and endovascular interventions are welcome. Both arterial and venous cases are eligible for submission. Cases related to hemodialysis vascular access are not eligible for submission.

The TSCI Peripheral Vascular Interventions Committee will review all submitted challenging cases for oral presentations. The authors of accepted challenging cases will be notified by e-mail by **October 21, 2026**.

All challenging cases should be submitted **either by e-mail or by USB flash drive**. PowerPoint presentations should include playable cine images. Authors are responsible for ensuring the completeness of their submitted cases.

- **Submission Methods**

Please submit your challenging case and completed registration form by one of the following methods:

Option 1 – Submission by E-mail

Please send your submission to:
tsci.med@msa.hinet.net

Option 2 – Submission by USB Flash Drive

Please deliver your cases to:

臺灣介入性心臟血管醫學會 許小姐 收

100506 台北市中正區忠孝西路一段50號18樓之34

請於信封註明：Peripheral Live 2026 Case

- **Format for submitting Challenging Case(s):**

Please follow the directions below to ensure complete submission.

1. The case should include general information, laboratory data, and be presented in the standard format used for case presentations or case competitions.
2. Authors' names and hospital affiliations should not appear in the submitted PowerPoint file or USB flash drive to ensure a blinded review process.
3. Cine images should be embedded in the PowerPoint presentation and be fully playable during the review and presentation.
4. The case presentation should be informative and self-explanatory, including all essential intervention details.

- **Awards**

The selection of submitted presentations will be blinded: the committee will review submissions without access to the authors' names or hospital affiliations.

The TSCI Peripheral Vascular Interventions Committee will select five challenging cases for oral presentation at Peripheral Live Demonstration 2026.

Awards will be presented as follows:

- **First-Place Award: NTD 10,000**
- **Second-Place Award: NTD 8,000**
- **Third-Place Award: NTD 6,000**
- **Honorable Mention Award: NTD 2,000**

- **Evaluation Standards**

Step 1. Submitted Cases Review

- Case uniqueness
- Skill/logic
